there s western and then there s western and where history becomes myth is an evocative question one of several questions posed by josh garrett davis in what is a western region genre imagination part cultural criticism part history and wholly entertaining this series of essays on specific films books music and other cultural texts brings a fresh perspective to long studied topics under garrett davis s careful observation cultural objects such as films and literature art and artifacts and icons and oddities occupy the terrain of where the west as region meets the western genre one crucial through line in the collection is the relationship of regional western works to genre western works and the ways those two categories cannot be cleanly

distinguished most work about the west is tinted by the western genre and westerns depend on the region for their status and power garrett davis also seeks to answer the question what is a western now to do so he brings the western into dialogue with other frameworks of the imagined west such as indigenous perspectives the borderlands and environmental thinking the book's mosaic of subject matter includes new perspectives on the classic musical film oklahoma a consideration of native activism at standing rock and surprises like pee wee's big adventure and dr seuss's the lorax the book is influenced by the borderlands theory of gloria anzaldúa and the work of the indie rock band calexico as well as the author's own discipline of western cultural history richly illustrated primarily from the collection of the autry museum of the american west josh garrett davis's work is as visually interesting as it is enlightening asking readers to consider the american west in new ways

the era of big data has revolutionized many industries including advertising this is a valuable resource that supplies current authoritative and inspiring information about and examples of current and forward looking theories and practices in advertising the new advertising branding content and consumer relationships in the data driven social media era supplies a breadth of information on the theories and practices of new advertising from its origins nearly a quarter of a century ago through its evolution to current uses with an eye to the future unlike most other books that focus on one niche topic this two volume set investigates the overall discipline of advertising in the modern context it sheds light on significant areas of change against the backdrop of digital data collection and use the key topics of branding content interaction engagement big data and measurement are addressed from multiple perspectives with contributions from experts in academia as well as the advertising and marketing industries this unique set is an indispensable resource that is focused specifically on new approaches to and forms of advertising readers will gain an understanding of the distinct shifts that have taken place in advertising they will be able to build their knowledge on frameworks for navigating and capitalizing on today's fragmented consumer focused digital media landscape and they will be prepared for what the future of advertising will likely bring

instant new york times bestseller propulsive the washington post engrossing truly shocking the new republic the fort bragg cartel opens like a nonfiction thriller and never lets up a page turning investigation into the dark side of our forever wars steve coll pulitzer prize winning author of ghost wars and directorate's a groundbreaking investigation into a string of unsolved murders at america's premier special operations base and what the crimes reveal about drug trafficking and impunity among elite soldiers in today's military in december 2020 a deer hunter discovered two dead bodies that had been riddled with bullets and dumped in a forested corner of fort bragg north carolina one of the dead men master sergeant william billy lavigne was a member of delta force the most secretive black ops unit in the military a deeply traumatized veteran of america's classified assassination program lavigne had done more than a dozen deployments in his lengthy career was addicted to crack cocaine dealt drugs on base and had committed a series of violent crimes before he was mysteriously killed the other victim chief warrant officer timothy dumas was a quartermaster attached to the special forces who used his proximity to clandestine missions to steal guns and traffic drugs into the united states from abroad and had written a blackmail letter threatening to expose criminality in the special operations task force in afghanistan as soon as seth harp an iraq war veteran and investigative reporter begins looking into the double murder he learns that there have been many more unexplained deaths at fort bragg recently other murders connected to drug trafficking in elite units and dozens of fatal overdoses drawing on declassified documents trial transcripts police records and hundreds of interviews harp tells a scathing story of narco trafficking in the special forces drug conspiracies abetted by corrupt police blatant military cover ups american complicity in the afghan heroin trade and the pernicious consequences of continuous war

neglected by his mother and abused by his stepfather mike green grew up angry and confused bullied at school and mistreated by foster parents he developed an unhealthy and aberrant outlook on life nevertheless he secured a respectable job as a plumber had his own apartment

and lived a relatively normal life at least for a while but deep rooted sinister impulses began consuming his soul and after an online date with an impudent arrogant woman he couldn't hold these impulses at bay any longer all Mike Green wanted was acceptance and love especially from his mother in the end he was able to get just that but in the most inconceivable and macabre way
