the collected works of marie louise von franz is a 28 volume magnum opus from one of the leading minds in jungian psychology volume 1 released on her 106th birthday is to be followed by 27 more volumes over the next 10 years volume 2 turns to the hero s journey within fairytales the hero s journey is about the great adventure that leads to a cherished and difficult to obtain prize in these fairytales the self is often symbolized as that treasured prize and the hero s travails symbolize the process of individuation in its many manifestations the hero embodies the emerging personality in the conscious world the hero is only one part of the personality the despised part and through his attachment to the self in the unconscious is a symbol of the whole personality von franz s prodigious knowledge of fairytales from around the world demonstrates that the fairytale draws its root moisture from the collective realm

this volume continues where volume 1 left off as von franz describes the fairytale suspended between the divine and the secular worlds creating a mysterious and pregnant tension that requires extreme power to withstand the resistance of the great mother against the hero and his humble origins as well as the hero freeing the anima figure from the clutches of the unconscious are universal archetypal patterns the spoils retrieved by the hero symbolize new levels of consciousness wrested from the unconscious

esteemed contributors expand the range of possibilities for reading understanding and teaching children's literature as ethnic literature rather than children's literature in this ambitious collection

there is a wealth of published literature in english by latin american women writers but such material can be difficult to locate due to the lack of available bibliographic resources in addition the various types of published narrative short stories novels novellas autobiographies and biographies by latin american women writers has increased significantly in the last ten to fifteen years to address the lack of bibliographic resources kathy leonard has compiled latin american women writers a resource guide to titles in english this reference includes all forms of narrative short story autobiography novel novel excerpt and others by latin american women dating from 1898 to 2007 more than 3 000 individual titles are included by more than 500 authors this includes nearly 200 anthologies more than 100 autobiographies biographies or other narrative and almost 250 novels written by more than 100 authors from 16 different countries for the purposes of this bibliography authors who were born in latin america and either continue to live there or have immigrated to the united states are included also titles of pieces are listed as originally written in either spanish or portuguese if the book was originally written in english a phrase to that effect is included to better reflect the linguistic diversity of narrative currently being published this volume contains seven indexes authors by country of origin authors titles of work titles of work authors autobiographies biographies and other narrative anthologies novels and novellas in alphabetical order by author and novels and novellas by authors country of origin reflecting the increase in literary production and the facilitation of materials this volume contains a comprehensive listing of narrative pieces in english by latin american women writers not found in any other single volume currently on the market this work of reference will be of special interest to scholars students and instructors interested in narrativ
